## **THE GOVERNMENT OF NORFOLK ISLAND**

### **MEDIA RELEASE**

#### **Progress on airport upgrade**

The Minister for Finance, Ron Nobbs, has detailed the current status of the upgrade of the Norfolk Island airport. He stated that while Boral Resources (Qld) Pty Ltd were the successful tenderer, the contract has not as yet been finalised.

He said that once the contract was signed, precise details of the project would be made available to the community. The Minister said that at this stage, he was unable to provide details of such issues as the commencement date and work programme.
