Annual review of fees

The Minister for Finance, Ron Nobbs, has advised that in accordance with the provisions of the *Interpretation Act 1979*, the required annual review of all Administration fees based on a fee unit has been completed. The fee unit has been adjusted in line with changes to the Retail Price Index, increasing from \$18.00 to \$19.65 effective on and from 1st July 2005.

Mr Nobbs said that a full list of new fees and charges was included in the *Norfolk Island Government Gazette* dated 30th June, which would be printed as part of *The Norfolk Islander* on 2nd July. The Minister also announced that because of substantial increases in the cost of diesel fuel, the price of electricity would rise to 40 cents per unit effective from 1st July 2005.
