MEDIA RELEASE: CIRCA employment register now available

The *Norfolk Community Information & Resources Cooperative Association (CIRCA)* has established an employment register, which is open to both people seeking work and employers looking for new staff. This is another free community support service of CIRCA, and is in effect an employment listing programme allowing employers and potential employees to be put in touch with each other.

The new service is designed to protect the confidentiality of applicants and employers in the listing stage, and information will only be disclosed to any other party when express consent is given.

If you have a vacancy or are seeking employment, you can register now. Registration forms for those looking for work and for employers seeking staff are now available from the Community Information Centre in Taylors Road, or by phoning 22447 or emailing circa@norfolk.net.nf
